

## **Program Director LD Survey March 7, 2011**

Ohio Adult Basic and Literacy Education (ABLE) has invited Kentucky adult educators to participate in a voluntary survey regarding diagnosed and undiagnosed learning disabilities in adult education students. This research is important to the Ohio Board of Regents and to the field of adult basic education in general. **The deadline for response is March 9.**

If you have questions or comments about this voluntary survey, please contact the lead researcher at [reynols1@ohio.edu](mailto:reynols1@ohio.edu). A link to the summarized results will be posted at <http://oh.abedisabilities.org>.

This survey should take no more than 20 minutes. All information will be confidential.
